15 Defendant.

Case No.: 3:21-cv-00242-ART-CLB

**ORDER APPROVING
JOINT STIPULATION TO EXTEND
BRIEFING SCHEDULE AND
PROPOSED ORDER**

(SECOND REQUEST)

Pursuant to Federal Rule of Civil Procedure (“Fed. R. Civ. P.”) 6 and this Court’s Local Rule of Civil Practice (“LR IA”) 6-1, Plaintiffs and Defendants, above-named, by and through their undersigned counsel of record, hereby stipulate to extend the current briefing schedule as follows:

1. Deadline for Plaintiffs to oppose or respond to Defendant's Motion for Judgment on the Administrative Record, or in the Alternative for Summary Judgment, and deadline for Defendant to oppose or respond to Plaintiffs' Motion for Summary Judgment shall be extended from May 23, 2022, to June 6, 2022; and
 2. Deadline for Plaintiffs and Defendant's Replies to the above Motions shall be extended from June 6, 2022 to June 24, 2022.

1 This is the second request to extend deadlines associated with the briefing of these
2 Motions. The Parties previously requested an extension of time through the filing of a Joint
3 Stipulation and Request for Extension of Time for Motion Briefing Deadlines (First
4 Request) (Doc. 39), on February 28, 2022, which this Court approved by Order dated
5 February 28, 2022 (Doc. 40).

6 The Parties filed their respective Motions identified in paragraphs 1 and 2, above,
7 on April 22, 2022. The Motions are extensive, requiring review of an administrative record
8 that exceeds 3000 pages, concerning a special education due process hearing that involves
9 complex issues. The oppositions and responses to the Motions are requiring significant
10 time to prepare due to the extensive administrative record thereby necessitating the
11 additional time requested herein. There is no date presently set for oral argument on these
12 Motions although oral argument has been requested.

13 Additionally, counsel for Plaintiffs and Defendant have several other Motions,
14 judicial and administrative hearings and trials pending that are requiring their attention at
15 this time in addition to preparation of their respective oppositions and responses to the
16 pending Motions described above.

17 This Stipulation is not interposed for any improper purpose or to delay final
18 resolution of this matter, but instead is submitted to ensure the Parties are able to prepare
19 the remaining briefs so this Court will be fully informed of the Parties positions and able to
20 make a well informed and proper decision.

21 For the above reasons the Parties respectfully request the Court approve this
22 Stipulation and enter the Order below.
